Mark
It sure has been fun in school with you. I hope we are in lots of classes together next year. Good luck in school + with the girls.

Sorry
So
Sloppy

Mark,
Jack and Jill went up the hill to have a little fun. Stupid Jill forgot me pill and NOW they have a son:

Mark,
I hope this year has been as good for you as it has for me. I feel like I have gotten to know you pretty good. You're a real cute guy and especially sweet. Be careful for all the girls because they'll be after you. Good Luck in everything.

Love ya,
Kelli

Mark,

Your a cool cat & mean football player. I Hope I PASS SO I can give CO a hard time to keep the old tradition.

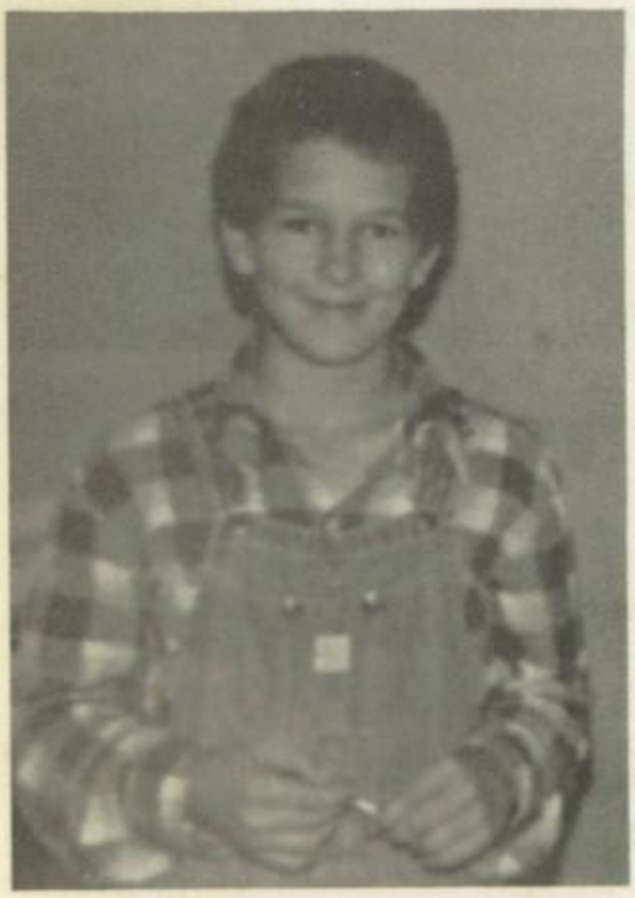
## A LOAN

*I'll lend you for a little time,*
*A child of mine, he said*
*For you to love the while he lives,*
*And mourn for when he's dead.*

*It may be six or seven years,*
*Or twenty-two or three,*
*But will you, till I call him back,*
*Take care of him for me?*

*He will use his charms to gladden you,*
*And shall his stay be brief;*
*You'll have his lovely memories,*
*As a solace for your grief.*

*I cannot promise he will stay,*
*Since all from earth return;*
*But there are lessons taught down there,*
*I want this child to learn.*



*I've looked the wide world over,*
*In search for teachers true;*
*And from the throngs that crowd life's lanes*
*I have selected you.*

*Now will you give him all your love,*
*Nor, think the labor vain;*
*Nor hate me when I come to call,*
*To take him back again?*

*I fancied that I heard you say,*
*"Dear Lord, thy will be done;"*
*For all the joy thy child shall bring,*
*The risk of grief we'll run.*

### TRIBUTE ON THE PASSING OF A VERY REAL PERSON

*People are of two kinds, and she was the kind I'd like to be.*
*Some preach their virtues, and a few*
*Express their lives by what they do;*
*That sort was she. No flowery phrase*
*Or glibly spokenrd of praise*
*Won friends for her. She wasn't cheap*
*Or shallow, but her course ran deep,*
*And it was pure. You know the kind.*
*Not many in life you find*
*Whose deeds outrun their words so far*
*That more than what they seem, they are.*

*"CRITTER"*

*"I never claimed to be fair, "she*
*said.*
*But we know this just isn't so.*
*She treats everyone in just the same*
*way*
*Whether it's Ray, Rodney, or Joe.*

*She gives of her time to her students*
*and friends*
*And she helps each one in her way.*
*She smiles or she frowns, but she*
*never lets down*
*Whether days are sunny or grey.*

*She's "Critter" to some — Mrs. Crittenden*
*to all*
*And we know that she is our friend.*
*She's one of a kind and we know in our*
*hearts*
*That she's one on whom we depend.*

*THANK YOU, MRS. CRITTENDEN*

How sad!!!

SR

Oh, wow, this is neat!!!

OH MY EYES!!!!

Don't look now but they're taking my picture!!

The Incredible Hulk

Leave Taking

I could not say, "Good-bye." I walked away.
And said, "So long," avoiding your eyes.
Holding my heart tight.
Tears were impossible. The burden of my grief at parting numbed my mind.
And I felt that nothing-nothing would ever be the same. But the pain, the awful numbness, remains:
memory of no words to say, "Good-bye."
